

PHILIP BOTHA

Graphics & Web Designer

PROFILE

I'm a highly creative and dynamic individual. I always knew I was going to be in the "creative" arena. I'm inspired by possibilities, as I am essentially an artist and any project is my canvass, no matter how limited in scope. I'm self-driven and a hard worker with good integrity. So here i am, designing for web and print media for last 6 years.

OBJECTIVE

Seeking employment where talent, flair and passion for the art of graphic design are appreciated. To obtain a senior-level graphic designer profile that will facilitate my career utilising my creative skills all while broadening my digital media design, photography and motion graphics experience to provide the best graphical solutions locally and/or internationally.
